## PASTOR'S CORNER

### SEASON OF CREATION 2021 PRAYER

Creator of All, We are grateful that from your communion of love you created our planet to be a home for all. By your Holy Wisdom you made the Earth to bring forth a diversity of living beings that filled the soil, water and air. Each part of creation praises you in their being, and cares for one another from our place in the web of life. With the Psalmist, we sing your praise that in your house “even the sparrow finds a home, and the swallow a nest for herself, where she may lay her young.” We remember that you call human beings to keep your garden in ways that honor the dignity of each creature and conserve their place in the abundance of life on Earth. But we know that our will to power pushes the planet beyond her limits. Our consumption is out of harmony and rhythm with Earth’s capacity to heal herself. Habitats are left barren or lost. Species are lost and systems fail. Where reefs and burrows, mountaintops and ocean deeps once teemed with life and relationships, wet and dry deserts lie empty, as if uncreated. Human families are displaced by insecurity and conflict, migrating in search of peace. Animals flee fires, deforestation and famine, wandering in search of a new place to find a home to lay their young and live. In this Season of Creation, we pray that the breath of your creative Word would move our hearts, as in the waters of our birth and baptism. Give us faith to follow Christ to our just place in the beloved community. Enlighten us with the grace to respond to your covenant and call to care for our common home. In our tilling and keeping, gladden our hearts to know that we participate with your Holy Spirit to renew the face of your Earth, and safeguard a home for all. In the name of the One who came to proclaim good news to all creation, Jesus Christ.

### REFLECTION FOR

#### THE 25TH SUNDAY IN ORDINARY TIME

There is something about being first. Whether it be first in line, first to be picked for the team, or the first one to finish their work, great satisfaction is achieved. Our egos love being first. It somehow sets us apart from everyone else, gives us a sense of pride and positions us to feel better than others. When we are first, we can glory in our efforts, skills, and achievements. Isn’t that what really matters? After all, we are taught from a very young age to be proficient, stay on top, be the best at what we do, and win the praise and esteem of others. This is the stuff that makes us successful and provides us with a comfortable, satisfying life.

Jesus wants none of it. All of the details we anguish over mean little to the kingdom of God. You want to be first? Then, be a servant and welcome a child. All of this is the opposite of our often vehement pursuits. If we are serious about following Jesus and living the Gospel, then we must put the needs of others before our own. If we continue to listen only to the noise of the world, we are going to continue to believe the illusions we inherit. Those illusions come in many forms, but all have things in common: me before you, being on top and not the bottom, us versus them, personal security over universal harmony and peace. When are we going to learn that always striving to be the best and first is an empty pursuit in our struggle for happiness? While satisfying our ego with this momentary boost of esteem may feel good for a moment, is it what we really desire?

If we can break from the world’s noise and create a space of sacred silence in our lives, we can begin to listen and see that we are being called in another direction. What we really desire is not the bolstering of our egos but the innocence we lost somewhere along the way. When we can be playful, joyful, and even somewhat carefree, life is good. We want our relationships to work, a place to call home, and to live peaceful lives with our sisters and brothers. Only a servant can do this. The servant’s prayer seeks to detach from self-concern in order to be used by God. Rather than worrying about being first and coming out on top, we can be inspired, guided, empowered, and led to do good works. Stop worrying about being first and put greater energy into feeling joy.

## **WELCOME BACK TO CHURCH AND THE EUCHARIST**

Dear parishioners, I would like to welcome you back to your home (God's dwelling place). The past year and half have been difficult, challenging and shocking. It has also been a period of blessing; for we are still alive in the land of the living. So we (St. Luke faithful's) are thankful to the Lord for his blessings and protection. Now that many of us have been fully vaccinated (hopefully you have), we are invited back to our church to physically worship together. Truth be told, I miss your presence deeply and we miss seeing each other, praying for one another and supporting others. As you make the decision to return, please call your neighbors and encourage them to do likewise. We promise to keep observing the guidelines and best practices that would help us gather without incidence. I pray that God would protect us all and grant us His grace and mercy.

I am longing to have you back to share your warmth, joy and passion for the Kingdom.

PS: Fr. Cornelius loves you.
